

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the Name of Allah The All Merciful, The Most Merciful.

قُلْ أَعُوذُ بِرَبِّ الْفَلَقِ

1. Say: I refuge with the Lord of The Cleaving,

مِنْ شَرِّ مَا خَلَقَ

2. ...from the evil (of) what He created.

وَمِنْ شَرِّ غَاسِقٍ إِذَا وَقَبَ

3. And from the evil of the nighttide as it eclipses.

وَمِنْ شَرِّ النَّفَّاثَاتِ فِي الْعُقَدِ

4. And from those who spew into the knots.

وَمِنْ شَرِّ حَاسِدٍ إِذَا حَسَدَ

5. And from the envious, when he envies.
